

## Elementary/Jr High Math and Science Teacher

Tanbridge Academy is an accredited private school established in 2007, offering Kindergarten to Grade 10 education with a strong focus on academics, athletics, and character development.

We are currently seeking an energetic, passionate, and student-focused educator to teach Elementary/Junior High Math and Science (Grades 6–9). The ideal candidate will foster a positive learning environment, inspire student confidence in mathematics, and contribute to our collaborative school culture.

### Key Responsibilities

- Develop course outlines, syllabi, unit plans, assessments, and homework materials
- Prepare engaging lesson plans aligned with Alberta curriculum standards
- Deliver high-quality instruction that supports diverse learning needs
- Assess and evaluate student progress through formal and informal methods, including report cards and progress reports
- Maintain a classroom environment that promotes respect, responsibility, and safety
- Supervise students during instructional and non-instructional times throughout the school day
- Communicate regularly with parents, administrators, and colleagues regarding student progress and concerns
- Attend parent-teacher interviews, staff meetings, and school events
- Participate in school life, including extracurricular activities and special events

### Qualifications

- Bachelor of Education degree
- Valid Alberta Teaching Certificate
- Current Criminal Record Check with Vulnerable Sector Check
- Strong instructional, organizational, and classroom management skills
- Excellent interpersonal and communication skills
- Compassionate, patient, and professional approach to working with students
- Ability to work collaboratively within a team environment
- Creativity and enthusiasm for developing engaging learning experiences
- Willingness to contribute to extracurricular programs and the broader school community

### Compensation

Salary will be negotiated based on education and experience and aligned with Alberta Education/CBE grid considerations. Tanbridge offers Health and Dental and Health Spending Account benefits with RRSP contribution match.

### Position Details

- Full-time
- Fixed-term 12-month Term Contract with potential to become permanent
- Immediate start available
